الوصف:

Project management is the practice of initiating, planning, executing, controlling, and closing the work of a team to achieve specific goals and meet specific success criteria at the specified time. The primary challenge of project management is to achieve all of the project goals within the given constraints.

Learn Project Management with Vision Institute!

In a short period of time, Vision Institute has indeed come a long way. It has been successful only because of the quality of its innovative programmes. Vision Institute is a leading Educational Institute in UAE, providing different educational programmes including Computers, Languages, Management, Accountancy and Tuitions. Implementing the broad-based curriculum developed and followed by premier Institutes at Vision Institute is important not only for overall personality development, but also for attaining professional expertise.
