Description:

The Academy's online training platform is a scientific and educational crucible that aims to qualify and develop those who wish to improve the performance of their organizations, whether official, civil or private. Our team includes a group of the most qualified international experts, trainers and consultants, which enables us to integrate international expertise with Arab needs to achieve the best results.

The Academy's headquarters are located in the Kingdom of Sweden, an advanced country according to international statistics in various fields. We rely in our work on the latest European Scandinavian standards, which distinguishes our results with our clients. The programs offered are in line with the training needs of clients and their institutions, while adhering to scientific and professional standards.
