Common

Price: AED 1
Condition: New
Posted: Nov 14, 2024

Description:

Minolta Printer jobs of various kinds and short-run jobs are increasing compared to long-run jobs of the past and printers are required to cope with orders with a quick turnaround. Taking advantage of the flexibility of digital printing, these orders that are difficult to handle with an analogue printing press can now be handled efficiently. In addition, values can be added to the print product using VDP or numbering, which helps differentiate the user among ever-diversifying market needs.
