Description:

There's something about an inmate that suddenly vanishes from a prison that has raised red flags within several clandestine branches of government and has drawn the attention of two assassins hell bent on killing him. Caught between the killers and government agents, an investigative reporter can't help but question all the attention paid to a missing inmate. Why is the government trying hard to keep the inmate missing instead of returning him to prison? And most importantly, why is everyone trying to kill the reporter?

EBOOK FORMAT IS AVAILABLE WORLDWIDE.
