 Description:

General Educational Development (GED) tests are a group of four subject tests which, when passed, provide certification that the test taker has United States or Canadian high school-level academic skills. It is an alternative to the US High school diploma, HiSET and TASC test. The GED Testing website currently does not refer to the test as anything but "GED"

Do GED training with Austin Academy !

In a short period of time, Austin Academy has indeed come a long way. It has been successful only because of the quality of its innovative programmes.
